DINE IN - PICKUP - DELIVERY

### Once upon a time

Frank Perrotta opened Bagel King Bakery in January 1977, with a philosophy that would prove to be the key to our success. Frank knew what he wanted and expected from a restaurant was no different from what you are looking for. He believed that every customer should receive the finest service and the best bagel for their dollar. So Frank set about to win his customers by fulfilling their special request with a quality product and of course with the help of his dedicated wife and five daughters... it worked! Today his daughter Tinamarie continues the tradition!
